Certified Administrator of Suggestion Systems

The CASS designation is awarded by the Employee Involvement Association to individuals who attend the CASS workshop and successfully complete the CASS test. The professional designation is valid for three years and can be renewed every three years if the following requirements are met. If certification is allowed to lapse for longer than 12 months, the workshop and test must be repeated. Renewal requirements:

- . Continued involvement in suggestion program administration
- . \$300 renewal fee (\$75 for EIA members)
- . Completion of the renewal application form

Application for Renewal of Professional Designation

Certified Administrator of Suggestion Systems
